SATURDAY, SEPTEMBER 19, 2026

Guten Tag! There are moments when a community comes together not just to celebrate but to make a meaningful difference in the lives of others.

Inspired by the German tradition of *Gemütlichkeit*, a spirit of warmth, friendship, belonging, and togetherness, on **September 19, 2026**, the **Autism Society of Mahoning Valley** will bring back one of the region's most beloved cultural traditions - **Oktoberfest Youngstown**, hosted at Penguin City Brewing.

This will be partying with a purpose...What began years ago as a bold idea to pair celebration with purpose is returning with renewed energy, deeper impact, and a clear mission: **to support individuals and families living with Autism right here in our community.** Today, the need is greater than ever.

Across the Mahoning Valley, families are navigating the realities of an Autism diagnosis by seeking access to services, connection to others who understand their journey, and opportunities for their children and loved ones to thrive. The Autism Society works every day to meet those needs across the lifespan through programs that provide **support, education, social connection, and advocacy.**

Your sponsorship helps make that work possible.

Proceeds from Oktoberfest directly support local initiatives, including family support programming, community education, and inclusive experiences that improve the quality of life for individuals on the spectrum. Simply put, **your investment stays here and creates real impact here.**

At the same time, Oktoberfest offers something unique.

This will be a fun, family-oriented event that evolves into a rockin' party in the evening. It will feature regional ethnic bands, German folk dancers, delicious German beer and Rhine wine tastings, good-looking girls in dirndls, authentic German food and vendors, all topped off by a performance by Youngstown's House Band in the evening!

...and it won't be the same without YOU! For our sponsors, opportunities have been designed to provide both **brand visibility and engagement with a broad audience.** We hope you will consider underwriting at one of them. If you'd like to contribute, but in a way not listed, please let us know.

We invite you to be part of this moment as we stand with autistic individuals and their families and celebrate culture and community with joy. We would be delighted to speak with you and answer any questions you might have. Please give us a call at 330-333-9609. Thank you!
